# Mazinger Z: 50 Years of Revolutionary Evolution

Features moveable joints with firing effects.

**Rocket Punch**

The Rocket Punch gimmick works on a moveable elbow joint! No need to replace parts to show the launch!

**Optional hands**

Includes interchangeable hand parts. Wrist swings upward to recreate his powerful, ready-for-action pose.

**Missile Punch**

Replace the belly armor to reveal the Missile Punch launcher. Missiles can be spring-launched!

**Hover Pilder**

Internal head parts are magnet attached.

Hover Pilder's wings can be folded. Koji Kabuto is visible through the clear canopy.

**Jet Scrander**

Includes the initial version of the Jet Scrander; attaches to Mazinger Z's body with an open/close belt system.

Jet Scrander's wings can be switched between forward- and rear-swept versions.

**What is Soul of Chogokin?**

Based on the "Chogokin" toys that have excited kids since their first release in 1974, "Soul of Chogokin" is the brand on which TAMASHII NATIONS is based. Since the release of "Soul of Chogokin GX-01 Mazinger Z" in 1997, the series has set the standard for die-cast toys and enjoyed tremendous support in Japan and globally. Its evolution continues today, featuring plentiful die-cast parts, countless exciting gimmicks, a unique approach to every character and a spirit of taking on new challenges.

**Fan's long-awaited upgrade of the machine beasts is here!**  
SOUL OF CHOGOKIN GX-25R GARADA K7 & GX-26R DOUBLAS M2  
2023 WINTER

Under the careful supervision of Kazuhiro Ochi, the massive, powerful style of the early "Mazinger Z" TV shows has been recreated without compromise. A complete redesign of all joints has made kneeling and other dynamic action poses possible!

A pullout design for the hip and ankle joints makes a big, broad stance possible. Enjoy creating even more natural poses!

**SOUL OF CHOGOKIN GX-25R GARADA K7**

Newly redesigned head scythe parts feature the "outer edge blade," faithfully reproducing the anime design.

**SOUL OF CHOGOKIN GX-26R DOUBLAS M2**

Newly redesigned parts for the distinctive bellows-shaped neck faithfully recreate the anime design.
